The annual subscription is £45 due on 1st January with a 50% discount for the first year if after 1st July. When we have received your application forms, we will advise you of your membership number so that you can make the appropriate payment for the current year £45 (or £22.50 if after 1st July) by direct bank transfer, **quoting your membership number**, to Lloyds Bank, Sort Code 30-98-29, for credit to the STD Register Ltd. Account No. 02899425. Then complete the banker's order form which can be printed and posted direct to your bank or set up online via your bank's website. Please ensure you set future regular payments to be paid annually on 1st January and include your membership number so that we can correctly identify future subscriptions. We ask that you pay by this means as it will save both you and the Hon Treasurer much time every year!

For Overseas members only please see here: <https://www.stdregister.org/joining/> for other ways to pay.

Data Protection Act 1998 and GDPR Information supplied by members, their names addresses and other contact information as well as basic details about members' cars, subscriptions and administrative information connected with the Register are held on computer and other files by various STD officials and members for legitimate purposes connected with Register administration and vintage motoring. Requests to see your own personal data files should be addressed to the Club Secretary. It is a condition of membership that you consent to your data being held and used as shown above and by applying for membership you consent to this.
